

Shifting Position...

Today, I'm having a good day
Not like it was before
I'm a totally different person now
Right down to the core

Before, I was really down
Deep, deep inside
I'd be lying in bed for days
From the world, I would hide

But now it's totally different
I'm at peace with myself
The joys of everyday
Make you happy with one self

Each day I'm growing
And becoming a happier person
My life is totally changing
My life's in a shifting position
